

COMMEMORATIVE DRAWING AND ESSAY CONTEST

In honor of the Hungarian Flag and Coat of Arms

March 16, 2020

I. Commemoration of the Hungarian Flag and Coat of Arms

Flags and coats of arms are important symbols of community cohesion. For us, the Hungarian people, national symbols have a special significance. The main rationale for this is that even though the political borders of Hungary do not coincide with the borders of the Hungarian nation, the nation still has shared linguistic, cultural and historical traditions. The most important symbols of cohesion - next to the national anthem - are the Hungarian flag and national coat of arms.

The Hungarian National Assembly, pursuant to resolution 18/2019. (VI. 18.) OGY - in the spirit of responsibility set out in the Fundamental Law – recalling the 100th anniversary of the Peace Dictate signed on June 4, 1920 and assessing the achievements of the peaceful cross-border national unification policy launched in 2010 - declared 2020 as the year of national cohesion. Therefore, this year - in connection with the commemorative year - our applicants can submit their entries with the theme of "**WE BELONG TOGETHER!**" (**ÖSSZETARTOZUNK!**)

Considering at the same time, that the Hungarian National Assembly declared 2020 as the Miklós Zrínyi commemorative year (OGY resolution 51/2019. (XII. 12.), in honour of the Hungarian poet, military leader and strategist, candidates may also apply with the theme "**Miklós Zrínyi - poet and military leader**".

II. Contestants

The Hungarian National Assembly by designating March 16th as the Hungarian Flag and Coat of Arms Memorial Day, created a very important holiday to celebrate Hungarian unity.
